IMPORTANT TO THE CONSUMPTIVE.

LAST FALL my wife contracted a severe cold, which caused a distress of breathing and rattling of the throat, and pain in the chest and side. I had two physicians attending her for three months, and they did not afford her the least degree of relief; and in the meantime her cold getting worse instead of better. I was advised to make use of Messrs. Pease's Hoarhound Candy. She did so, and from that moment the cough and cold ceased; her breathing was restored free as ever. THE PAIN IN THE CHEST,

and the rattling in her throat were relieved, and after a few trials she was enabled to enjoy life and health from despair and death. I owe it a duty to you and the public to acknowledge the fact, and have no doubt your remedy, when known more generally, will save the lives of thousands. Your obedient servant.

W. VANDEWATER, corner of 77th-st. and 3d Avenue.

P. S. The above physicians' names will be given to any person who will call on me to satisfy them this is no fiction. W. V.

A WARRANTED CURE FOR CONSUMPTION

Professor BUCHHOLTZ'S COMPOUND SYRUP OF CAPILLARIA—This invaluable medicine is presented to the American public as a positive cure for Consumption and Liver Complaint. It was invented by Dr. Buchholtz, in Germany, who is now Professor of Medicine and Chemistry in the University of Erfurth, in Prussia, and member of most of the scientific societies on the Continent of Europe, and used by him in his private practice in that country with universal success. When this medicine became known in Prussia as a cure for that fearful disease, the King (as an expression of his confidence in its merits) gave the inventor a reward of Five Thousand Dollars, and the exclusive right to prepare and sell it in his kingdom. The public can have the fullest confidence in this being the genuine medicine, as one of the proprietors in this city is a nephew of the inventor, (a German physician of the same name,) who received the receipt and sole right of preparing it in America directly from him. This medicine operates slowly upon the system, and when first taken it sometimes produces sickness at the stomach, and increases the disposition to cough, but this is attended with less pain and easy expectoration; it removes the ulcerated and unhealthy parts of the lungs, entirely eradicates the disease, and restores the whole system to perfect health. The fact is admitted by most physicians, that persons may live in the enjoyment of good health, with but a portion of the lungs remaining, which proves conclusively that diseased lungs can be cured. It is the design of the remedy to produce this result, and it takes according to the directions, and sufficient time be allowed for its operation, such will be the effect. We do not pretend that this will cure in all cases of the last stages of the disease, as it requires from one to three months to remove the disease and restore the system to health.

THERE ARE THOUSANDS OF PERSONS in this country who are taught from their youth that they *inherit* consumption, and that an early grave most inevitably be their portion. Now to such we would say, with the fullest confidence of the truth, that with the use of this medicine they may be restored to the enjoyment of perfect health. This medicine is entitled to the confidence of the intelligent portion of the community, from the fact of its favorable notice and successful operation in Europe, and the high standing of the inventor. We are willing to let it rest on its own merits. It has already been tested in this city, and the persons cured can be referred to by inquiring at the office of the proprietors. We prefer this mode of satisfying those who wish to know its effects, rather than to publish certificates. We beg the public not to condemn this as one of the *medical humbugs* of the day, until a trial of its merits has been made.

As an assurance of our confidence in the article, we *warrant* it to cure, or the purchase money will be refunded.

For sale only by R. E. DIBBLE & Co., No. 296 Broadway, a few doors below Masonic Hall. m20-1m-os

ORIGINAL
CASH TAILORING ESTABLISHMENT.

229 *Broadway, American Hotel.*

☞ It had long been a subject of complaint with those who were in the habit of paying ready money for their garments, that they were taxed for other's delinquencies; this led to as strict adherence to Cash sales, through which the desideratum of giving satisfaction to customers, and offering inducements to others, could alone be accomplished.

The subscriber is now in receipt of a large assortment of new and fashionable goods for spring wear, which are offered for the inspection of the Public under the assurance that the style and finish of garments will comport with any other house in the trade, whilst the reduced prices cannot fail to offer inducements to purchasers.

A REMARKABLE CASE.

MR. MURPHY, 90 North Sixth-street, Philadelphia, Agent for SHERMAN'S Medicated Lozenges, says that a poor woman called at his Office and stated that her daughter, seven years old, had been sick for nearly three years; her stomach was extended to the size of a grown person's; her arms and legs so swollen that she could not walk or help herself, although she could eat as much as two laboring men. They had employed two celebrated doctors, who could do nothing for her, and had given her up as incurable. Her husband had become discouraged, and abandoned all idea of trying to do any thing more for her, and looked to death alone to take her out of her misery. Mrs. Murphy, believing her case to be one of Worms, gave her a box of Sherman's Worm Lozenges, and in two days she returned, with joy beaming in her eyes, and said the Lozenges had saved her child's life, for all had given her up. The first dose brought away nearly a pint of worms in one living mass. She had not taken two boxes before she was entirely cured, having passed after the first dose, which she could not count, over 400 worms in one week. She was literally eaten up with them. Another living witness of the almost miraculous efficacy of Sherman's Lozenges. Principal Office in New-York, 106 Nassau-street. m27
