
AMUSEMENTS.

WALNUT STREET THEATRE.—This evening Miss Charlotte will conclude one of the most brilliant and successful engagements of the season. Every night the theatre has been crowded to its utmost capacity with fashionable and appreciative audiences. Her benefit last evening drew an immense concourse of people. For her farewell performance an attractive bill is presented, viz: the drama of "Madelaine, the Foundling of Paris," Miss Thompson as Madelaine," and the drama of "The Chamber of Death."
