VOL. XIV. CLEVELAND, FRIDAY MORNING, NOVEMBER 9, 1860. NO. 265.

Special Notices.

☞ The History of Dr. J. Hostetter's Stomach Bitters, the most remarkable medicine of the day, and the many cures that have been performed with it in cases of Liver Complaint, Dyspepsia, Nervous Debility, and other diseases arising from a disordered stomach or liver, places it at once among the most astonishing discoveries that has taken place in the medical world. The disease to which Bitters are applicable are so universal that there are but few of our friends who may not test their virtues in their own families or circle of acquaintances and prove to their own satisfaction that there is at least one remedy among the many advertised medicines deserving the public commendation.

Sold by Druggists and dealers generally, everywhere, and by Hostetter & Smith, sole Proprietors, 56 Water, and 55 Front streets, Pittsburgh.

☞ Hostetter's Bitters are sold by
CHURCHILL & BRO., Druggists.

☞ The Chief Attributes of Manhood, are frequently lost or suspended by mal-practices and vicious habits, that will inevitably lead to hereditary disease unless checked in time. Read the truths laid down in the treatise "Home's Frailty or Physiological Researches." It is elaborately illustrated with colored engravings and will convince the most hardened and unconcerned, as well as relieve the minds of the most despairing, by healing them in the right channel for relief of bodily and mental agony and despair.

Read the advertisement of "Triesemar" in another column. Sold by Dr. Barrow, 194 Bleecker st., New York. Price 25c., sent free of postage everywhere.

Also sold by E. F. Gaylord and William Fiske, Druggists, Cleveland, Ohio.

HOLLOWAY'S PILLS AND OINTMENT—Health and Happiness are the twin sisters which render existence pleasant and agreeable, for the enjoyment of life depends, in a great measure, on the state of the health. None need despair who suffer from dyspepsia, pulmonary affections, nervous disorders, ulcers, scrofula, piles, or fistulas while the famous medicines offer not only an antidote, but a radical cure. They have had the most marvellous success in the worst type of diseases which afflicts the human race.

Read the advertisement elsewhere.

☞ Sold by all druggists at 25c. 62c and 62c. per box.

☞ Holloway's Pills and Ointment are sold by
CHURCHILL & BROTHER,
S. W. cor. Ontario st. and Pub. Square.

RHEUMATISM! RHEUMATISM! RHEUMATISM!
It is well known that bathings, ointments, and external applications only drive rheumatism from one part of the system to another. Sometimes, with fatal results. Humphrey's Specific Homœopathic Rheumatic Pills, often cure the worst and most protracted cases. This simple medicated Sugar Pill will do more to eradicate the disease, than quantities of crude medicines, and has cured when all other means have failed.

Price 25 cents per box, with directions. 6 boxes $1. Sent by mail or express, free of charge, on receipt of the price. Address,
Dr. F. HUMPHREY'S & CO.,
No. 562 Broadway, N. Y.
Sold by E. W. Sackrider, and Churchill & Bro.
☞ See advertisement in another column.

☞ Call on most any Druggist or Medicine dealer and get one of the Perry Davis Almanacs or directions for the use of the Vegetable Pain Killer; you will find them instructive, and by following the directions, an immense amount of suffering can be prevented, and at a trifling expense. Be sure you get the genuine Davis' Vegetable Pain Killer, upon its reputation, and great sale, many other and worthless preparations are being palmed off upon the public. Don't delay, but get it, and test it.

Sold everywhere, and by Gaylord & Hammond, Wm. Fiske, C. S. Mackenzie and E. W. Sackrider, Cleveland, O.

☞ Dr. S. O. Richardson's Concentrated Sherry Wine Bitters have long since established an enviable reputation for their curative properties.—They tone, & out and out ——— the stomach to perfect digestion, and yet impart extraordinary strength in a very short time after using them.

The Sherry Wine Bitters are for sale by Gaylord & Hammond and C. S. Mackenzie, Cleveland, O.

☞ We are happy to learn that Dr. S. A. Weaver's Canker and Salt Rheum Syrup sustains its reputation so well. We hear it well spoken of by all who have made a trial of its virtues. There are now so many worthless articles bearing the name of medicine, that we have but little confidence in any; still we are glad to see the success of this, which we believe to be, a truly valuable medicine.

Sold by Gaylord & Hammond, C. S. Mackenzie, E. W. Sackrider and Wm. Fiske, Cleveland, O.

☞ To CONSUMPTIVES.—The advertiser, having been restored to health in a very few weeks by a very simple remedy, after having suffered several years with a severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a SURE CURE FOR CONSUMPTION, ASTHMA, BRONCHITIS, &c. The only object in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription will please address,
REV. EDWARD A. WILSON,
oct15-R26 Williamsburgh, Kings County, N. Y.

MOTHER'S READ THIS.
The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine, or MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING:

"We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to your readers, that this is no humbug—WE HAVE TRIED IT, AND KNOW IT TO BE ALL IT CLAIMS. It is probably, one of the most successful medicines of the day, because it is one of the best. And those of your readers who have babies can't do better than to lay in a supply."

TO HORSE OWNERS.
DR. SWEET'S INFALLIBLE LINIMENT FOR HORSES is unrivaled by any, in all cases of Lameness, arising from Sprains, Bruises or Wrenching, its effect is magical and certain. Harness or Saddle Galls, Scratches, Mange, &c., it will also cure speedily.—Spavin and Ringbone may be easily prevented and cured in their incipient stages, but confirmed cases are beyond the possibility of a radical cure. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will always insure the Lameness, and enable the horse to travel with comparative ease.

Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable ——— mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.

IMPORTANT TO FEMALES.—
DR. CHEESEMAN'S PILLS. The combination of ingredients in these Pills are the result of a long and extensive practice. They are mild in their operation, and certain in correcting all irregularities, Painful Menstruations, removing all obstructions, whether from cold or otherwise, headache, pain in the side, palpitation of the heart, whites, all nervous affections, hysterics, fatigue, pain in the back and limbs, &c., disturbed sleep, which arise from interruption of nature.

DR. CHEESEMAN'S PILLS.
are the commencement of a new era in the treatment of those irregularities and obstructions which have consigned so many thousands of the young, the beautiful and the benevolent to a Premature Grave. No female can enjoy good health unless she is regular and whenever an obstruction takes place the general health begins to decline.

DR. CHEESEMAN'S PILLS.
are the most effectual remedy ever known for all complaints peculiar to Females. To all classes they are invaluable, inducing, with certainty, periodical regularity. They are known to thousands who have used them at different periods throughout the country, having the sanction of some of the most eminent physicians in America. LINE OF MARCH.
Orange, Fulton, Kinsman, Pine, Brownell, Huntington, Prospect, Hudson, Euclid, Erie, St. Clair, N. Perry, Lake, Water, Superior, Monument Square.
By order of S. B. STURGES, Colonel.
J. DWIGHT PALMER, Lieut. Colonel.

FOURTH WARD WIDE AWAKES.—You are hereby ordered to meet at Head-Quarters, Beilstein's Hall, 85 Garden street, this Friday evening, at half past 7 o'clock, for drill. Let there be a full turn out.
THEO. VOGES, Capt.

COMPANY D.—The annual party of Company D. will be given at the Angier, on the 28th. Their party last year was one of the finest of the season.

READINGS FROM THE POETS.—The Elocutionary entertainment at Chapin's Hall this evening, will be a very pleasant one. Mr. Ambler's readings include dramatic, poetical and humorous, and afford an attractive evening's entertainment.

LOST—A Post Office Drawer Key, marked "Eagle Lock Co." No. 178. The finder will please return it to the LEADER Counting Room.

CORONER'S VERDICT.—The woman who was killed on Tuesday night, by the cars, near the Flats, was Mary Ann Conley, Irish, 35 years of age. The Jury returned a verdict that she lay down on the track, when intoxicated, and fell asleep.

☞ Messrs. E. Stair & Co. have removed their Hat Store to Williams Block near Public Square, and opened with one of the most splendid stocks of goods ever exhibited in Cleveland. Their new location is a very fine one, and their establishment spacious and elegant. It is superfluous to commend this old firm to the public, for its many years of successful business is sufficient evidence of the high esteem in which it is held.

FROM LAKE SUPERIOR.—The steamer Illinois, from Ontonagon, Nov. 1st, reports the Iron City at Copper Harbor, Nov. 2d, waiting a favorable wind to effect a landing at Eagle River. Schooner Flight was at Marquette.

The Mining Gazette says that the Smelting Works at Portage Lake have been completed, and went into operation last Thursday week. At present the owners have made arrangements to smelt twenty tons of copper per day, and if the different mines continue to increase in the same ratio for the future as they have done for the last four years, the capacity of these works must soon be greatly increased.

THE EUCLID STABBING AFFRAY.—The name of the man stabbed, as reported by us several days ago, is Hurlbut. He and his wife were passing the house of a Mr. Weaver when they saw Weaver beating his wife. Hurlbut went in and separated them and passed into another room. Weaver soon followed with a knife in each hand, and endeavored to stab Hurlbut, who for a time, kept away by dodging behind a stove, but finally received the point of a knife two inches deep just above the left eye. Dr. Burton of Euclid is attending him and considers his recovery doubtful.

Marine Disasters.

EXPLOSION OF THE PROPELLER MOHAWK—LOSS OF LIFE.

The Western Transportation Company's propeller Mohawk exploded on St. Clair Flats on Wednesday morning. She was loaded with flour and wheat from Chicago to Buffalo. The Mohawk was attempting to pass around a sail vessel that had anchored directly in the channel, a practice that cannot be too severely reprehended, when she got aground. In endeavoring to work off, the starboard boiler exploded, blowing off the decks. Two firemen, Martin Leaman and another, name unknown, were killed, and another, Caspar Rolfe, fatally injured. The second engineer, Daniel Kirkwood and Peter Brooks, a colored laborer, were killed:—The hull soon filled and sunk in eleven feet of water. The wheat, which was in her hold, is soaked, but the deck load of flour is safe. The Detroit papers give full particulars.—The Advertiser of yesterday morning says:

There is insurance in several companies, and among them the Home and the Ætna.

Two steam pumps—Worthington—have been engaged, and will be sent up on the propeller Mary Stewart, which is expected from Buffalo this morning, and Capt. Pheatt is confident his steamer can be got here within a day or two. The Mary Stewart will take the flour on to Buffalo.

PROPELLER GLOBE EXPLODED.

The telegraph brings news of the explosion of the propeller Globe at Chicago yesterday. The list of the killed and wounded will be found in the telegraph column. The Globe was built in 1848.

PROPELLER EVERGREEN CITY DISABLED.

The propeller Evergreen City of the Buffalo, Cleveland & Chicago Line, broke some of her machinery on her way from Buffalo to Cleveland and lay for two days at Grand River, being towed into this port yesterday by the propellers Owego and Equator.

DEATH OF EDWIN H. TENNEY.—We find in an exchange the following notice of the death of an eccentric individual who is not unknown to the readers of the LEADER, as the irate orator who challenged one of the Editors of his paper for having criticized one of his Fourth of July speeches:

Edwin H. Tenney, the young Tennessee lawyer, whose strange Fourth of July addresses have been so extensively quoted as specimens of the spasmodic school of Southern eloquence, died near Nashville on the 25th ult., of typhoid fever.

☞ Yesterday we announced the commencement of a sale of Dry goods at No. 185 Superior street, by O. Cutter & Son.—From what we have understood from those who attended the sales, we are convinced that neither the epithet "Sham," nor "Peter Funk," can, with propriety, be applied to this sale or this stock. The goods are new and perfect, and of the very first order, both in style and manufacture, and we think it for the interest of all to attend these sales, whether they have immediate use for the articles or not, as it would pay them to keep them to ——— future time—if they continue to be sold at the same prices at which they were dispatched yesterday.

THE GRAND JUBILEE.—Cleveland will be in a blaze of light and enthusiasm on the evening of Wednesday next. Let every good and true Republican, who rejoices at the recent victory which the Republican party has won, be prepared to give glory to that occasion by illuminatious to light the way of those soldiers of freedom, the Wide Awakes.

Beside the Cleveland Regiment of 800 men, the following Companies are expected to be present to join with us in the Jubilee: Chagrin Falls, 150 torches; Newburgh, 125; Salem, 50; Warrensville, 30; Olmsted, 60; Rockport, 60; Brooklyn, 60; Painesville, 100; Ravenna, 100; Akron, 100; Cuyahoga Falls, 100: Franklin Mills, 50; Hudson, 100; Medina, 100; Wellington, 100; Elyria, 100; making a total of 1,355, or 2,155 with the Cleveland force. It will be a grand occasion.

SONS OF TEMPERANCE.—The reports made at the Grand Division, held at Columbus, show the Order to be in the most healthy condition throughout the State.

Sixty-one new Divisions have been organized during the past year. Considering the excitement and tendencies to excess during the Presidential campaign, this speaks well for the progress of the Order. Now, that the people have elected a President, and the contest settled, it is to be hoped that increasing attention will be given to the work of temperance and reform.

The following is a correct list of officers elected for the present year:

W. B. Disbro, G. W. P., Bares; A. Berdan, G. W. A., Medina co.; H. V. Horton, G. S., Cincinnati; J. B. Thompson, G. T., Columbus; W. Burns, G. C., Mansfield; P. Raisor, G. S., Massilou; Rev. C. Thomrs, G. Chaplain, Brunswick, Medina co.

JUBILEE IN WARRENSVILLE.—The Wide Awakes and other Republicans of Warrensville and vicinity held a pic-nic and social holiday at Warrensville on Saturday evening last. The Wide Awakes of Chagrin Falls, Solon and Twinsburgh, joined those of Warrensville, and a hearty good time was enjoyed. The ladies as well as gentlemen joined in the festivites, and brief speeches were made by D. W. Gage, Esq., of Cleveland, & Messrs. Chamberlain and Lockwood, of Solon. The party closed with a profusion of Roman candles, which flashed out finely in the dark and stormy air.

ATTEMPT TO DESTROY A RAILROAD TRAIN.—On Wednesday evening some diabolical villain, for whose benefit hemp grows somewhere, attempted to destroy the night train on the Cleveland & Pittsburgh Road, at the road-crossing in Warrensville. A T rail had been placed across the track, together with a quantity of stones, &c., in such a way that they could hardly have failed to throw the train off if the obstruction had not been discovered. The things were removed but were again placed upon the track, and were struck by the incoming express. The engine and cars passed over, very fortunately escaping being thrown from the track. No possible reason for such villainy can be conceived, and most certainly the officers of the road have given no cause for the concocting of such a murderous plan.

ABORTION CASE.—The Euclid Abortion Case came up yesterday for hearing before Justice Benham, but the prosecution through some mistake not appearing, the case was dismissed. Ducker will probably be rearrested.

INDICTED.—The Grand Jury have returned bills of indictment against the following persons: Geo. H. Kellogg, alias D. H. Daniels, burglary and larceny; John Wilson, grand larceny; Samuel Bergman, forgery.

ARTISTIC.—In a late number of the Detroit Advertiser we notice the following complimentary notice of a talented artist who has been known in Cleveland in connection with North's Gallery.

THE FINE ARTS—PAINTING.—Mr. Alonzo Pease, the excellent portrait painter, whose studio is at Firemen's Hall, has returned from Ohio, and has several new portraits on exhibition at Atkinson's. The most striking picture of the collection, is a head of Rev. C. G. Finney, of Ohio. We are not personally acquainted with this veteran revivalist, yet feel sure that this must be a good likeness.—The view is rather an unusual one, being almost a profile yet it gives a fine idea of the phrenological developement. The artist has the peculiar faculty of getting just that point of view transferred to the canvass, just that pose of the head, which shows the marked characteristics to the best advantage. The head is such an one as we would expect the fiery old evangelist to have.

The face of Prof. Foote, of Ypsilanti, is beaming with good nature, and looks as though he could tell a good story, and enjoy one too, as well as yield the baton at the head of his orchestra.

The half length of Madam Pease, the artist's mother, is a gem of art, the coloring is rich and harmonious, and the position simple and unpretending. The expression, which is the chief excellence of this painting, seems the personification of gentleness and goodness. The artist, we should think, must have been inspired by filial love, as well as love of his art.

Mr. Pease, who is among the leading men of his profession, will remain in the city for some time, providing his orders are sufficient to keep him busy; if this is not the case, he will leave the city soon. We hope before he departs, that counterfeits of many of our citizens may be brought into existence.

MR. AMBLER'S READINGS.—Our citizens bear in mind that Mr. Ambler gives an entertainment this evening at Chapin's Hall.—As this is the first reading of the season, and the programme is very attractive, there will doubtless be a large audience. The Louisville Democrat says: "We can commend the reader as one with whom an agreeable evening may bespeak in listening to the gems he gives us." Among other pieces, Mr. A. will give Longfellow's beautiful poem, "The Building of the Ship," the mirth-provoking piece called "Ezekiel's Visit to Deacon Stokes," and the amusing, logical story of the Wonderful One-hoss Shay, concluding with a recitation of the thrilling poem called "The Drunkard's Vision; or the rum Maniac," which is replete with dramatic power and startling effect.

Tickets can be obtained at Stacey's Ice-Cream Saloon, or at the door.

SIXTH WARD MEETING.—A meeting of the Sixth Ward Republican Club was held at the Wigwam, Tuesday evening, Nov. 8th, to consult upon a celebration. Hon. R. C. Parsons was called to the chair and P. B. Young appointed Secretary. After remarks by the chairman and others, Messrs. E. B. Chamberlain, Daniel Reynolds, John Huntington, C. J. Ballard, Wm. Gabriel, J. H. Clark and Adam Beilstein were appointed a committee to confer with other committees to make arrangements for a celebration.

P. B. YOUNG, Sec'y.

FOR SALT RIVER.—The fleet copper-bottomed, copper-toed clipper *Popular Sovereignty*, leaves this morning, at 6 o'clock, for a four years' cruise up Salt River. Stephen A. Douglas presides at the helm, and the entire Democratic party have engaged passage. In consequence of the loss of the center-board, and the mis-management of the double set of sails, which the pilot provided early in the season the craft has been pronounced un-seaworthy, but by the aid of a large number of barrels of Kentucky whisky for ballast, the party hope to make the voyage a pleasant one. The well known James Buchanan will have charge of the cook's galleys. John C. Breckinridge acts as first mate, and John Bell, super cargo.—The chicken coop will be enlivened by Gray's rooster.

FUN IN MANSFIELD.—They had a jolly time at Mansfield on Tuesday evening, which Myers chronicles as follows:

Everything passed off very pleasantly.—The Republicans were good natured and very hopeful—the Douglas men kept a "stiff upper lip," determined to do their bes —and the Breckinridge and Bell men labored earnestly in a hopeless cause. The Court House where the township polls were, was the scene of many practical jokes, which finally culminated in an impromptu Son of Malta Lodge, organized regardless of party. Unfortunate was the poor wight who came to see how the things were going, or how many votes were polled. Ruthlessly was he seized, placed on his back on a long table, the table then raised up, causing him to slide down, certainly, but not always in the most graceful manner. This was the initiation, after which a ticket was presented to him by way of certificate that he had been "put through." This was done to all who made their appearance. Mayor and ex-Mayors, Honorables and all sorts of men went through the same mill, greatly shocking their dignity. The editorial fraternity were not forgotten. We have personal knowledge of one who was initiated, and the same courtesy was extended to others.

COL. STURGES' STAFF.—Col. Sturges of the Cleveland Wide-Awake Regiment has appointed the following Aids to serve on his staff:

Lieut Col.—J. Dwight Palmer.
Major—J. B. Parsons.
Paymaster—I. U. Masters.
Adjutant—R. Crawford.
Quarter-Master—Theo. Voges.
Surgeon—Jacob Hovey.
Inspector—Geo. B. Senter.
Chaplain—O. C. Scoville.

THANKSGIVING EVE.—Company D. give their second Annual Party, at the Angier House, on the 28th inst. The reputation of the Company as well as of the Hotel warrant us in saying that it will be a select and elegant affair.

DOLLIE DUTTON.—A little wonder has been giving levees through the Eastern States and cities for the past year or more, and has created a great furore wherever she has been seen. She is called Dollie Dutton, is 10 years old and weighs only *fifteen pounds*. In form and features she is said to be perfect. She is a native of Framingham, MASS. This little wonder will soon be in Cleveland for a short time, being now in Canada.

The Railway.

CLEVELAND & MAHONING R. R. Co.—We learn from good authority that the business of the C. & M. Rail Road, from January 1st to Oct. 31, has been as follows, to wit:

	1859.	1860.	Increase.
Earnings,	$231,923,45	$312,559,12	$80,635,71
Expenses,	83,145,74	101,446,19	21,297,45
Net earnings,	148,776,67	$206,012,93	$59,338,26

This exhibit showing a net increase in the earnings of the road for the last ten months, of nearly sixty thousand dollars over the same months in 1859, must be highly gratifying to its friends.—*Mahoning Register.*

City Council.

TUESDAY EVENING, NOV. 8.

COMMUNICATIONS.

From Secretary of Cuyahoga Steam Furnace Co., that the accompanying account of $123.77, is for two alarm bells for the Fire Department. It was first presented to the city four years ago, but has been in dispute between the City Council and the Fire Department until this time. Mr. Hayward, of the Committee on Fire and Water, said that the work had been ordered by Companies No. 2 and 3, themselves, without authority from proper source. He moved that the bill be allowed. Carried.

From James Hill, Fire Engineer, that the cost of repairing the reservoir on the corner of Hudson and Monroe street, cannot be estimated definitely. He suggests that a new one be built at the corner of Scoville and Greenwood streets, to hold two hundred barrels or more, which can be built for $105. Received and filed.

CLAIMS.

The Police pay roll amounting to $1,017. Referred to committee on Claims.

Many claims and accounts were presented and referred to appropriate committees.

City Committee's Pay Roll for October is as follows:

East Side, $1,113,75; West Side, $285,64; total $1,399,39. Referred to Committee on Claims.

RESOLUTIONS.

By Mr. Dixon, that thirty iron lamp posts, setting, &c., be contracted for with Mr. Stein, according to his proposals, the kind of posts to be left to the discretion of the Board of City Improvements. Adopted.

By Mr. Hayward, that the sidewalks on the north side of St. Clair street, between Bond and Wood streets, be repaired.—Adopted.

By Mr. Clark, that a new reservoir be built, under the direction of the Board of City Improvements, at the corner of Scoville and Greenwood streets, to hold not less than 200 barrels, and at a cost not to exceed $105. Adopted.

By Mr. Russell, that lamp posts be erected at the corner of Hanover and Vermont streets, and at the corner of Hanover and Washington streets. Referred to Committee on Gas.

By Mr. Oviatt, that the Committee on Finance and Mayor be and are hereby authorized to pay such special tax as they may find due on the streets and Water Work's lot, for dredging the ship channel in Old River Bed; and that for the payment of such special tax the Mayor shall give the notes of the City payable in one, two, three and four years with interest, and that in consideration of the City's paying said special tax, E. Simms agrees to go on and complete his contract and to dismiss the suit commenced by him against the city. Referred to Ship Channel Commissioner.

By Mr. Clark, that the Board of City Improvements be authorized to advertise for proposals to grade an improve Water street. Adopted.

By Mr. Marshall, that 50 per cent of the expense of lighting the streets be assessed upon the owners of property upon said streets, in proportion to the number of feet front.

[This resolution was offered by Mr. Marshall, Sept. 13th, and referred to the City Attorney, who reported that the city had power to pass such a resolution, if they saw fit. There the matter has rested until this time.]

Referred to Committee on Gas to report upon.

ORDINANCES.

The ordinances for the construction of sewers on Long, Seneca and adjacent streets, were referred back to the Board of City Improvements for amendment.

To attach certain lots and lands to Sewerage district No. 3. Referred to Committee on Ordinances.

To provide for the expense of constructing a branch sewer to and along Noble alley to within one hundred feet of Champlain street. Referred to Committee on Ordinances.

To create a Board of Engineers and Firemen and fire Commissioners. Second reading of the ordinance. Laid over.

To lay out Osborne street. Passed.

To grade and improve Water street between St. Clair and Front streets. Passed unanimously.

To amend an ordinance to provide for the weighing of hay. Passed.

For the payment of claims, payable Nov. 15th, amounting to $40,995 28.

SURPRISED.—The members of Engine Co. No. 5 met last evening for business when they suddenly found an overpowering element which they could not subdue, in the shape of a host of fair forms bound in crinoline. An adjournment to National Hall was the work of but a few minutes when music and the dance prevailed until musicians and dancers were weary.

VANITY FAIR, ETC.—HAWKS & BRO. have Vanity Fair, No. 45, with one of Artemus Ward's Adventures, etc. They have also Harper's Weekly with a good portrait of Lincoln.

GRAND LARCENY.—John Pearson, father and son, will be brought up before the Police Court this morning, for grand larceny. Mr. William Wilcox was moving from one residence on York street, to another street of the city, when the Pearsons entered the former residence and stole a quantity of spoons, clothing, cutlery, &c., a part of which was found with them.

LAST NIGHT'S COUNCIL.—Only one Councilman was absent last evening.

The ordinance for the grading and improvement of Water street, which has been so long in dispute and created so much feeling, has at length passed, and proposals will be received for the work.

A resolution authorizing the Mayor to give the notes of the city for the complete dredging of the ship channel, was referred to the Ship Channel Commissioner.

A new reservoir is to be built on the corner of Scoville and Greenwood streets.

A resolution to have the property holders on the streets which are lighted with gas, pay half the expense of such lights, elicited much discussion.

See Council report for other matters.

ARRIVED—Gernsey's Balm, at Strong & Armstrong's. nov1:208-1w

Putrid Sore Throat.

A sure Cure. When this disease first commences, or at any stage, it can be easily cured by carefully observing the following directions:

Gargle the throat with "Porter's Cure of ——— as strong as possible, swallowing about a usual dose. Bathe the outside freely with the medicine clear and repeat often.

It is also necessary to keep the pores of the skin open, by bathing the feet in warm water and all over if necessary.

The bowels should be kept open by some gentle cathartic, and be careful that the patient is not exposed to drafts of cold air.—This remedy faithfully used never fails.

Sold by Strong & Armstrong, and Druggists generally. nov9d1w&w4t-312.
